

## **JUROR PARKING:**

Please refer to the directions included with the Summons.

As the Jury Parking lot closed and was demolished in July of 2018, jurors are permitted to park in the **County Employee Parking Garage**, entrance on Third Street between Orange and Olive Streets (directly across from Media-Providence Friends School). Please be sure to have your Summons or Juror pin visible to present to the Park Police Officer at the garage gate. Please refer to the map included with your summons as to location of Third Street. You may click on the link below for a copy of the parking flyer. Once you park, you may enter the Government Center through the garage. Signage has been placed in the garage for your reference. The Jury Assembly Room is on the 1st Floor. Directions to the Jury Assembly Room are clearly marked from the Garage Elevator. Follow the arrows once you exit the elevator on the 1<sup>st</sup> Floor.

Please be advised that the **garage height limit is 6'2"** and will only accommodate a standard size pickup truck. If your vehicle is above the height limitations, you must park at **Broomall's Lake Country Club** located at **501 West Third Street, Media, PA 19063**. Shuttle service will be provided to the Court House/Government Center Complex. Parking and transportation to and from jury service at the Delaware County Government Center will be provided at no cost.

Please refer to the link below regarding Public Transportation to Media via Septa (bus, trolley or regional rail). If you have the ability to utilize public transportation, it would be highly recommended.

The Delaware County Court of Common Pleas and Delaware County readily recognize the importance of our citizen-jurors to the County's justice system and gratefully appreciate your willingness to serve and your understanding about juror parking.

Please feel free to contact Jury Services with any questions or concerns between the hours of 8:30 a.m. to 4:30 p.m. (610-891-4622)
