*****BID QUESTIONS, CLARIFICATIONS AND ANSWERS*****

NATIONAL REGISTER FORM AND CORRESPONDENCE HAS BEEN UPLOADED.

Questions #1: I don't find the NR nomination in the appendices. Can you provide a separate link?

Answer: [The NR form and correspondence has been attached, and additional information will be provided to the winning bidder. It is PA-SHARE Ref 1971RE00031.](#)

Questions #2: In section 4.1.2 of the RFP, it states that firms are encouraged to submit an example of a National Register nomination. Does this mean the full nomination text, or just a description of the project with the PA-SHARE reference number?

Answer: [A summary with the PA-SHARE reference number would be sufficient if the nomination is not part of an environmental review with limited access. If that is the case, then the full text would be required.](#)
