

IN THE COURT OF COMMON PLEAS OF DELAWARE COUNTY, PENNSYLVANIA

IN RE: 32nd JUDICIAL DISTRICT : No. MD 1545-17
:
Temporary Postponement of :
Weekend-Partial Confinement :
Sentencing Terms :

PRESIDENT JUDGE ADMINISTRATIVE ORDER

AND NOW, this 25th day of March, 2022, resulting from consultation with core systematic stakeholders and on the agreement of the Delaware County District Attorney's Office, it is hereby **ORDERED** and **DECREED** that **EFFECTIVE APRIL 5, 2022**, through and including **JULY 21, 2022**, **ALL** sentencing terms of weekend imprisonment and/or partial confinement otherwise being served at the George W. Hill Correction Facility (Delaware County Prison) and/or **ANY** such sentences (weekend imprisonment and/or partial confinement) subsequently imposed **SHALL** be **POSTPONED** as follows:

ANY defendant presently serving at the county jail (George W. Hill Correctional Facility) a sentence of weekend confinement and/or partial incarceration otherwise **SHALL** report as currently scheduled; however, on next appearing at the George W. Hill Correctional Facility (Delaware County Prison) **ALL** such defendants **SHALL NOT** be admitted, but rather given written notice consistent with his or her sentencing terms and/or conditions of a future date and time certain on which he or she must once again report to the county jail (George W. Hill Correctional Facility) to resume serving the partial confinement sentencing condition. The date and time George W. Hill Correctional Facility (Delaware County Prison) officials provide defendants to resume reporting at the county prison (George W. Hill Correctional Facility) for purposes of continuing their weekend – partial confinement sentences **SHALL** be consistent by day of the week and at that time as such is

detailed by the controlling certificate of imposition of judgment of sentence¹ and no later than August 8, 2022, if not sooner.

Salient personnel of the George W. Hill Correctional Facility (Delaware County Prison) **SHALL** sufficiently memorialize the notice afforded **ALL** defendants about when he or she is to resume a weekend and/or partial confinement sentence otherwise, including but not limited to such notification being signed by the defendant, as well as an identifiable prison staff member, with a copy of the same provided to **ANY** defendant so in the event a given defendant does not once more appear as that notice directs, then a bench warrant may properly issue.

The postponement directed above of defendants reporting to the George W. Hill Correctional Facility (Delaware County Prison) for purposes of serving weekend – partial incarceration sentencing terms **SHALL NOT** reduce the number of such days any defendant must serve, but rather just temporarily delay when a defendant for such purposes is to report to the county jail (George W. Hill Correctional Facility).

Except to the extent ordered above, **ALL** other terms and/or conditions of a defendant serving a weekend sentence of confinement and/or partial incarceration otherwise **SHALL REMAIN** in full force and effect, including but not limited to reporting as required to the Delaware County Adult Probation and Parole Office.

That directed above as subsequent material circumstances warrant and/or it otherwise believes appropriate may without prior notice be revisited by this court and modified and/or in whole vacated.

BY THE COURT:

Kevin F. Kelly
President Judge
Thirty-Second (32nd) Judicial District

¹ Generally, defendants may report for purposes of partial confinement sentences to the George W. Hill Correctional Facility on any day of the week, although there are daily reporting times which are to be followed, absent judicial direction to the contrary.

Recognizing that the vast majority of sentences flow from negotiated guilty pleas and wanting to the extent possible to yet realize the sentencing judges' intentions and the interested parties' agreements, county jail personnel in providing defendants written notice of when next to report to the facility **SHALL** use the same day of the week and time the controlling certificate of imposition of judgment of sentence directs.
