Introduction

This directory provides a listing of local government officials serving the residents of the 49 municipalities of Delaware County, Pennsylvania. It was prepared by the County Planning Department based on information provided by each municipality for use by County and municipal personnel and is published at the beginning of, and updated throughout, each calendar year. We thank the 49 municipalities for enabling us to publish this document by providing the information contained in it.

We rely on municipal governments to supply the data published in this directory and believe it is accurate and complete. Please report any corrections or changes occurring during the year to:
