

WE NEED YOUR FEEDBACK!

Leiper Trail Extension Study
Nether Providence Township, PA

Nether Providence Township is conducting a feasibility study for an extension of the Leiper-Smedley Trail and we are looking for community input! Please fill out the survey so we can hear your thoughts on the following questions:

1
How do you use the trail?

2
What future connections do you want to see?

3
How can we improve the trail experience?

We invite all residents of Nether Providence Township and the surrounding communities to participate in the survey.

Take the survey today:
