### **SBA Disaster Loan Deadline Approaching in Pennsylvania Businesses and Residents Affected by Hurricane Ida Should Apply Now**

**ATLANTA** – The [U.S. Small Business Administration](#) (SBA) encourages businesses of all sizes, private nonprofit organizations, homeowners and renters to apply for a physical disaster loan before the **Nov. 9** deadline. Anyone in the declared counties in **Pennsylvania** with damages caused by the remnants of Hurricane Ida from Aug. 31 to Sept. 5, 2021 should apply for a physical disaster loan by the deadline.

The disaster declaration covers Bedford, Bucks, Chester, Delaware, Montgomery, Northampton, Philadelphia and York counties in **Pennsylvania**, which are eligible for both Physical and Economic Injury Disaster Loans (EIDL) from the SBA. Small businesses and most private nonprofit organizations in the following adjacent counties are eligible to apply only for SBA EIDLs: Adams, Berks, Blair, Cambria, Carbon, Cumberland, Dauphin, Fulton, Huntingdon, Lancaster, Lehigh, Monroe and Somerset in **Pennsylvania**; New Castle in **Delaware**; Allegany, Baltimore, Carroll, Cecil and Harford in **Maryland**; and Burlington, Camden, Gloucester, Hunterdon, Mercer and Warren in **New Jersey**.

Businesses and private nonprofit organizations of any size may borrow up to \$2 million to repair or replace disaster-damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. Applicants may be eligible for a loan amount increase up to 20 percent of their physical damages, as verified by the SBA, for mitigation purposes. Eligible mitigation improvements may include a sump pump, elevation, French drain or retaining wall to help protect property and occupants from future damage caused by a similar disaster.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations, the SBA offers EIDLs to help meet working capital needs caused by the disaster. EIDL assistance is available regardless of whether the business suffered any physical property damage.

Disaster loans up to \$200,000 are available to homeowners to repair or replace disaster damaged or destroyed real estate. Homeowners and renters are eligible for up to \$40,000 to repair or replace disaster-damaged or destroyed personal property.

Interest rates are as low as 2.855 percent for businesses, 2 percent for nonprofit organizations and 1.563 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition.
