

Jefferson Health & Nemours Present
**COVID-19 and the Return to School:
Keeping Your Family Safe During the Ongoing Pandemic**
Live Panel Discussion and Q&A
Thursday, August 26 · 2 p.m. EST
Event will also be recorded.

As children in the Delaware Valley prepare for a return to in-person learning and the COVID-19 Delta variant continues to spread, many families still have questions about keeping kids safe from illness. Join experts from Jefferson Health and Nemours Children's Health as they share the science of the COVID variants and the importance of masking, discuss strategies for managing anxiety during this challenging transition and provide helpful tips for sending kids back to school safely.

Featuring:

Neil Rellosa, MD
*Infectious Disease Specialist
Nemours Children's Hospital,
Delaware*

Vanessa Carlo, MD
