

## Delaware County Clerk of Orphans' Court

### Request for Adoption Information (Non-Identifying or Identifying)

You can request information about your own adoption, or the adoption of a family member as listed below. Requests are accepted by the Court that finalized the adoption, the agency that coordinated the adoption, or successor agency. The Court will review your request and appoint a case worker to begin searching your records. They will contact you after searching your file to provide you with any information they have that is allowable by law. If no information is on file, then you will receive a notice stating the same. **Forms need to be completed with a copy of your government issued Photo ID attached (driver's license, passport, etc.). Requests should be sent via US mail to: Delaware County Orphans' Court located at 201 W. Front Street, Room 102, Media, Pa, 19063.**
