

What is Early Intervention?

The Office of Early Intervention provides supports and services within the typical routines & activities of the family using a home-based coaching model and consultation.

Early Intervention provides a Screening, Evaluation, & Assessment to determine eligibility.

Once determined eligible for Early Intervention, supports and resources are identified to assist the family in enhancing their child's learning & development.

We provide services at **no cost** for children from birth to 3 years of age.

We work together with many service systems to ensure continuity of care.

Is your child under the age
of 3?
Do you have concerns
with their development?

INFORMATION FOR PROVIDERS WHO ARE REFFERRING FAMILIES

- The family has the right to accept or decline services
- If the child is not eligible for ongoing services, they may be eligible for our tracking program, if they meet at least one of the following criteria:
 - *NICU Stay
 - *Low Birth Weight
 - *Elevated Lead Levels
 - *Abuse or Neglect
 - *Homelessness
- *Baby born to chemically dependent mother
- For Pediatrician's Offices, be sure to include your License # and NPI # on your referrals
- When referring a child, do not prescribe specific services or frequency of services. Please indicate areas of concern.

FACTS FOR FAMILIES:

Once a referral is made to our intake department, a service coordinator will be assigned to you. They will reach out to provide a detailed explanation of our program.

Your service coordinator will also arrange and oversee an evaluation for your child.

We look at 5 areas of development:

- Cognitive: Ability to think and learn
- Social and Emotional: Ability to relate to others
- Communication: Ability to talk, understand, and express needs
- Physical: Ability to move, see, and hear
- Adaptive or Self-Help: Ability to eat, dress, and take care of oneself

SERVICES WE CAN PROVIDE:

- Service Coordination
- Physical Therapy
- Occupational Therapy
- Special Instruction
- Speech Therapy
- Social Work
- Hearing and Vision Support
- Nutrition
