Board Opening: Delaware County Solid Waste Authority
Openings: 1 Vacancy
Closing Date: January 9, 2026

Summary

The Delaware County Solid Waste Authority oversees the municipal waste management system in the county through an agreement with the County of Delaware. The Authority owns two transfer stations in the county and manages over 400,000 tons of both residential and commercial waste. The Authority contracts with several private companies to manage the transportation and disposal of that waste. The Authority also owns and operates a landfill in Berks County, PA that receives waste from Delaware County and elsewhere. The Authority has an operating budget of over \$48 million for 2022. The Authority also coordinates recycling programs for the 49 municipalities in the county. The Authority is in a period of positive transition, including new management leadership, plans to replace aging facilities, implement new programs that focus on waste minimization, recycling, composting, and integrating better program efficiencies and services to the county's residents and businesses.

Term Length 5 Years
