**Closing Date:** February 6, 2026  
**Term Length:** A term ending December 31, 2028

**Description**

On July 4, 2026, our nation will commemorate the 250th anniversary of the founding of the United States – the U.S. Semiquincentennial celebration. The commemoration is a multi-year effort, beginning in 2020, culminating on July 4, 2026, and officially concluding in 2027. Leading up to 2026, a coalition of public and private partners are all working to create initiatives and programs that celebrate 250 years of our history and inspire the American spirit in all Americans. The County of Delaware, Commonwealth of Pennsylvania, recognizes the historic importance of the 250th anniversary of the founding of the United States and the important role of Delaware County in such founding. The Delaware County America250PA Delco Commission was formed in order to plan, encourage, develop, and coordinate the commemoration of such anniversary in Delaware County. The work of the Commission is to coordinate with Delaware County Commerce Center, Visit Delco, America250PA Delco Committees, and major partners to facilitate the raising of funds to support commemoration efforts, to designate and oversee official America250 projects in Delaware County, and to monitor and oversee the work of the America250PA Delco Director.
