**SUBJECT: NOTICE OF REJECTION OF BIDS FOR VOTER MACHINE WAREHOUSE ELEVATOR ADDITION (eDPW-052726)**

**JUNE 25, 2026**

---

The Delaware County Government would like to inform the public that, following a thorough review of the bid submitted for the VOTER MACHINE WAREHOUSE ELEVATOR ADDITION (eDPW-052726) originally advertised on April 17, 2026, we have decided to reject the single bid that was submitted for this project. Unfortunately, the submitted bid exceeded the estimated project costs making it impossible to move forward with the project at this time under the proposed budget.

We are dedicated to finding a solution, examining our outreach, and ensuring the project reaches as many interested vendors as possible. Our team has reassessed the project scope, communicated with vendors, and have re-bid the project on June 23, 2026.

We will keep the public informed of any updates and future developments related to this project. We appreciate your understanding and patience as we continue working to ensure that taxpayer resources are utilized wisely.

Thank you for your continued support.

Sincerely,

Jim Peterson
