4. QUESTIONS/ANSWERS

Question #1: Is this a single prime job? In the previous Pre-Bid, it was stated that this would be a Single Prime project. Does that remain the same, Single Prime?

Answer: Yes, this is a single prime job.

Question #2: What is the required percentage of the Bid Bond?

Answer: Bid bond percentage must be ten percent (10%) of the bid.

Question #3: What is the correct project number?

Answer: Project Number is eDPW-111026.

Question #4: The Specs seem to be in hieroglyphic text. Can you please re-download the specifications for this project? The First few pages of the specs are blurred and not legible. Can these please be re posted? It seems as if there is an issue with the 2026-10-08 Warehouse Voting Machine Elev Specs Revised PW review.pdf attachment. When I download it, several of the pages are just small squares instead of text. Could you check it on your side to see if you have the same issue?

Answer: Uncorrupted version of Project Specifications has been reuploaded. See Additions 1 and Deletions 1.
