(committee/candidate), wish to waive Campaign Finance Fees for the reporting period
2020, 2021, 2022, 2023 2024 Based on the following circumstances, I request
reconsideration: + 2025

In October 2019 our treasurer resigned, my wife Justice to our
Justice along with myself resign for our committee person
operation 12/31/2019. we were told to hold on to the Bank account
until the Rep office found someone to take our place. They never did
In 2020 2021 I caught a Bad case of COVID and I still have long
COVID. On April 10, 2022 I had a heart attack and triple bypass
around April 20, 2022 I was told to stop to write a check for
\$2500 to David White for a fund raiser that was my first
contact ~ 3 years with the office

Mr Jackson tried to help us but because of my medical condition
I was having a tough time. In January 2023 after 3 years of COVID
Long COVID + a heart attack I got Bladder Cancer.
Neither Justice nor myself work any longer & 95+

We are asking for relief as we also need to pay the state of Pa
\$1000 for fees. I have enclosed a check for \$100
as it is all we can
afford
